In order to assure that we have as much information as possible at the time of your office visit, please obtain the following ahead of time to bring with you:

1. Bring either your medications or a complete list of what you taking, including the strength and how it is taken.
2. If you had a recent sleep study or breathing test, please bring a copy of the results with you or advise our office where and when you had a sleep study.
3. Bring any available prior chest x-rays or CAT scans of the chest needed to evaluate your problem. Also bring a copy of the radiologist's report.
4. If you had a recent breathing test at your referring doctor's office, please bring a copy of the results with you.
5. Bring complete insurance information, including your insurance cards. Also, bring your referral forms from your primary doctor if you have an HMO/Managed care plan such as US healthcare, Keystone or Keystone Mercy Health plans, etc.
6. We will call you a day or two prior to your appointment to confirm your visit. If you cannot keep the appointment, please notify us as soon as possible to reschedule.
7. Parking: located directly in front of and on the side of the building.
8. We ask that you refrain from wearing perfume or colognes when coming to our office as patients often have difficulty breathing when exposed to these odors.

If you have any questions regarding the above, please contact our office. We believe the above will help you receive the most benefit from your initial visit to our office. Thank you for your assistance. We look forward to meeting you!
