Price List Edition 2018.000

MONUMENT TYPE

This is a generic 3D depiction of each style.

SIZES

Dimensions are always listed as Length (left to right) x Depth (front to back) x Height (top to bottom), as one views the monument from the front.

STOCK ORDER

Green highlighted sizes/colors are kept in stock and are given a standard completion time frame of **6-8 weeks from approval**.

SPECIAL ORDER

Red highlighted sizes/colors will need to be ordered and require **12-16 weeks from approval**.

ADDITIONAL POLISH

Any additional polish and/or cuts to a stone make it a **non-stock special order**. Charge the indicated amount for each side of added polish. An added polished margin to a base is equal to one side of additional polish.

ADDITIONAL LETTERING/ARTWORK

All prices include front lettering. They **do not** include back, base, vase, or other lettering. Add the price of any additional lettering/design according to this chart.

PLAIN LETTERING

This price column includes **front** name(s), date(s), and stock graphics **only in the polish** (no flashed areas or highlighting/shading).
NOTE: Blank monuments without any lettering or design will need to be quoted.

STANDARD DESIGN

This price column includes all **front** lettering and stock graphics/layouts (meaning anything from our design books/galleries).

SPECIAL ARTWORK

This price column includes all **front** lettering and any custom artwork not found in our stock collection.

Expect a 72-hour turnaround for most custom projects.

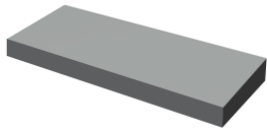

NON-STOCK COLOR PRICE DIFFERENCE

These are the percentage differences for various non-stock colors in the 'Standard Design' column. The price shown already has the added percentage, so there is no need to add to the listed price.

SETTING

Wholesale prices **do not** include setting/concrete. Retail prices include both.
