

Step 4
Rock Your World - Social Action Toolkit

Taking Action

Overview/Purpose:

How will you work together as a team to bring your plan to life? As you implement your plan for taking creative action, what is needed most is time, encouragement, and stick-with-it-ness.

Activities

1. Define the purpose of your project. Name goals and expected outcomes.
2. Make a timeline and set due dates to bring your project to life.
3. Divide tasks to harness each other's talents.

Name	Talent/skills	What I will do	When it will be done
