Finding Your Spark

What is your Spark? What inspires you toward action?

Day 1

Visit www.freethechildren.com
Click Get Involved
Click Get Educated
Choose an issue and learn! You need to leave this class more informed about two issues than you were before you arrived.

ISSUE 1:
  What more have I learned? What questions do I have?
  How am I feeling about the issue? What I am thinking about the issue?

ISSUE 2:
  What more have I learned? What questions do I have?
  How am I feeling about the issue? What I am thinking about the issue?

Day 2

Any sparks yet?

How will you spend your time in class today so that tomorrow you are prepared to select your issues?
  Research your selected issues using different sources
  Explore more issues

What issues did I explore today?
Finding Your Spark

What websites did I learn from?

What more have I learned?

What questions do I have?

How am I feeling about the issue? What I am thinking about the issue?
Considering Audio Impact:
Music in “After the Fall: HIV Grow Up”
