Area 8 Stop Press April 2015

Ray Gibson

On the 2nd of April I attended Ray's funeral at the Bramcote Crematorium along with many other family friends, and friends from the angling community. The funeral was delayed for several weeks because of Wendy's own illness and hospitalisation 2 days after Ray's untimely death on the 4th of February. The service was none conformist and with the eulogy said by Ray's long time friend and fishing partner Neil Hassall. The occasion was less of a funeral but a farewell to a friend and a celebration of his life, a life with Wendy, Ballroom dancing and fishing. At the gathering afterwards it was good to see that Wendy was in good spirits and seemed determined to carry on with her life and work. I am sure you will all join with me wishing Wendy a speedy recovery from her illness and look forward to seeing her up and about tying flies.
