Join our facebook group at Gefion Dog Training

Thank you for getting in touch regarding the new dog training classes that we are going to run in Aldington. Although we are still waiting for a date that we can return to the hall we will have limited spaces when we get back. For this reason we would recommend that you get booked in ready for when we are all given the go ahead.

The classes we run are through the Kennel Club Good Citizen Dog Scheme and we conduct all four levels. Puppies are welcome from first vaccinations up to about 9 months of age. If your dog is slightly older you are still welcome to join in at our Bronze level. In the group sessions we would need your dog to be dog friendly and if this is a concern we can always look at a one to one session first to address and help with any issues.

You can take a look at the courses at:

<https://www.thekennelclub.org.uk/dog-training/good-citizen-dog-scheme/>

We only use motivational based training and strongly believe that your dog will learn much better if encouraged and rewarded.

The class time will be 10 to 10.30 for the puppy class. We will have Bronze class just after at 10.30 and further classes as needed. The first 10 week courses with us are £75 for 10 weeks and in order to reserve your place you will need to complete the attached form and email it back. The payment is made to R&T Mills, Sort code 401705 and account number 11918214. Please add your details in the reference. I will then confirm your place on the next courses.

Any questions please ask or if you would rather have a chat first you can call me on 07738 032607.

Many Thanks for your interest in our classes and we hope to see you in the future courses.

Teresa
