

GLO WHITENING MENU

We offer a variety of teeth whitening options that fit your lifestyle and whitening needs, without treatment sensitivity. Let us customize the best whitening plan for you!

GLO IN-OFFICE + TAKE-HOME WHITENING

A premium offer and our most popular option! Get same day results in the office in less than an hour. Then, go home with the same award-winning device we use here along with professional-strength whitening gel you can use at home to keep your smile shining white between visits.

GLO IN-OFFICE WHITENING

In less than 1 hour, your GLO in-office whitening treatment gives you the best results in one appointment without sensitivity. Depending on your starting shade, your smile can get up to 10 shades whiter! Follow up with the GLO Professional Take-Home Whitening Kit for the best, longest lasting results.

GLO PROFESSIONAL TAKE-HOME WHITENING KIT

Premium whitening at home with your own GLO Professional device. This kit includes the same warming GLO mouthpiece technology we use in the dental office, along with 10 professional strength GLO Vials for ten days of whitening at home. Use for complete whitening treatments or for monthly one-day touch ups so you can maintain your whitest smile all year long! Perfect to pair with In-Office Whitening for at-home maintenance between practice visits.

GLO VIALS

No more strips! No more trays! Smile brighter with professional-strength teeth whitening GLO Vials. GLO Vials can be used alone for easy whitening on-the-go and can also be used as refills for your GLO Professional Take-Home Device. Also great for use during orthodontic treatment with braces or aligners. Available in packs of 10 and 3. Just brush on and GLO!

GLO IN-OFFICE WHITENING TOUCH UP

Maintain your whitest, brightest smile with an annual or semi-annual in-office touch up! Add a GLO whitening touch up to your next hygiene appointment to get the most out of your visit and bring your whitest smile back to life!
