

## Fullcircle work with young people, residents, and community groups.

### The key aims of the company are to:

- Inspire and empower people to be actively involved in issues that affect their community;
- Provide innovative and responsive effective services which reflect the needs of the community;
- Provide young people with the best opportunities to achieve their full potential.

### Over the past 4 years, Fullcircle nw CIC have:

- Worked with 5,231 people;
- Delivered 530 sessions, equivalent to 1071 hours;
- Engaged and supported 16 Oldham based community groups;
- Recruited and trained 22 adult volunteers and 12 young volunteers;
- Provided 650 rewarding volunteering hours.

“Working in partnership with Fullcircle has enabled us to share resources, combine our expertise and work together to develop good quality provision for children, young people and their families.”

Fullcircle nw CIC is a 'not for profit' organisation based in Oldham, a Community Interest Company limited by guarantee, registered in England with Companies House and the CIC Regulator. No: 07610753.

Fullcircle nw CIC provide innovative, professional, responsive and effective services in local communities.

### Our services:

#### Community Development

Offer a range of services, support, and direction to new and existing community groups. We encourage people to be involved in and improve their local area so that they can lead better lives.

#### Children and Young People

Providing a range of accessible provision aimed at children and young people within their own communities.

#### Alternate Provision

We design and deliver bespoke programmes to meet the needs of the pupils and the school, whilst providing individual learning opportunities for personal development.

## Community Development

We provide support, training and mentoring to new and existing groups. We tailor services to meet the needs of the community whilst helping groups to make positive changes, tackle social inequality and formulate solutions to local issues.

### Services include:

- Community Audits – identify community assets, issues and needs, develop links with other groups and agencies and potential partnerships;
- Provide advice, guidance and support to groups in areas such as; organisational structures, governance, operating procedures, policy writing, developing personnel (committee members/trustees), identifying and applying for funding and more;
- Mentoring support, we can assist groups with the planning and delivery of activities, provide essential training for volunteers including; safe working practices when working with children and young people, safeguarding, sharing resources and best practice;
- Community Projects - helping build resilient communities through environmental awareness, cohesion, intergenerational and empowerment projects;
- Events - we can plan, manage and deliver community events and activities including; community fun days, fundraisers and more;
- Provide rewarding and meaningful volunteering opportunities.

## Children and Young People

A range of accessible provision aimed at children and young people within their own communities.

- Junior and Senior youth clubs;
- School holiday activities;
- Detached and outreach work;
- Street based youth engagement;
- Sport based activities;
- Intergenerational projects;
- Environmental awareness projects;
- Rewarding and meaningful volunteering opportunities (ages 14+);
- Support young people to participate in the district youth forums, local democracy and politics.

## Alternate Provision

Life Skills, Money for Life: Personal Money Management and Skills for Work are just some of the programmes that can be tailored to meet the needs of your pupils.

Our programmes provide individual learning opportunities for personal development that encourage young people to learn new skills whilst developing existing skills.

We use an informal and holistic approach to learning whilst encouraging young people to learn from their peers and to develop team working skills.

Our programmes incorporate in house accreditation, which are designed to recognise pupils individual achievements, for example, improved attendance, active participation, working with others, demonstrating a positive attitude and behaviour.

Our education programmes can contribute towards improving your schools OFSTED inspection report in two key areas of the national framework; (1) the achievement of pupils at the school and (2) the behaviour and safety of pupils at the school.

### Other Alternate Provision includes:

- Before and After school clubs
- School holiday programmes
- Transition programmes
