**Happy 10th Birthday S.T.O.R.M**

The conference aims to empower women to become stronger parents and to encourage their thinking *"that anything is possible"*

Empowered parents will in effect empower young people  
Through our guest speakers we will highlight factual experiences and evidence, getting the message across that *"nothing is impossible, you can do it"*

We will be conducting workshops on the day as well as providing information on Beauty, Finance, Jewellery making, Employability and much more. Opportunity will also be available to register for Art Therapy/Creative Writing, Parent Classes/Access to Work and other accredited classes we run at STORM.
