MARCH 2020

From Your Pastor

Dear Friends,

With the turn of the calendar we enter the season of Lent, a time of examination and discipline; of commitment and challenge. We are invited to slow down and follow Jesus' footsteps to the cross.

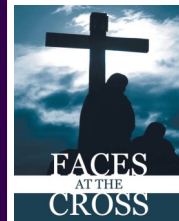

But how? How do we slow down when life seems to be moving around us at a dizzying pace? I read recently that it took 38 years for radio to reach 50 million listeners and 13 years for television to reach 50 million viewers. But the same threshold of 50 million users was reached by the Internet in only four years, and by Facebook in just two years. Any way you look at it, it is hard to fathom the escalating rate of change in technology in the world around us. And add school and sports and other activities into the equation...

How can we keep up with it all? And how can we possibly slowdown long enough to focus on following Jesus?

The good news of the Gospel is that what was relevant two thousand years ago remains relevant for us today: Christ lived for us; Christ died for us; and Christ rose again from the grave for us. Our God is the Lord of all times, and what is most relevant for us in this time and place boils down to two things: loving the Lord our God and loving our neighbor as our self.

The question is: are we more influenced by God or by the world around us? In Chinua Achebe's latest book, he makes this astute observation: "Without a doubt, the times in which we live influence our behavior, but the best or merely the better among us...are never held hostage by our times." They are free to redirect their attention to what is most important. And during the season of Lent, what becomes most important is Jesus' journey to the cross.

Lent is a time to refocus and see everything anew through the lens of Jesus Christ and his followers. This year, through sermon and Bible study, we will explore Lent through the eyes of those who

stood by him at the cross, and put blinders on to the world that opposed him.

Along with these first followers of Christ, may we make the commitment to slow down, come into his presence, and learn from those who followed him to the cross. "O taste and see that the Lord is good; for happy are those who take refuge in him." (Psalm 34:8)

"Faces at the Cross"

Led by Pastor Jeanne Thomas

Our four-week Lenten Bible study will explore the journeys of four different followers of Jesus who were with him at the cross: Nicodemus, Mary Magdalene, Mary of Bethany, and Simon of Cyrene.

My hope is that, by reflecting on the ways in which Jesus and his cross touched these individuals, we, too, will have our lives touched in new ways and with new depth. Each session will be based on the following Sunday's sermon.

The Bible Study will take place on Tuesdays at 7 PM (if at least 6 people sign up to attend on a regular basis) and Wednesdays at 10 AM. Sessions will be held in the adult meeting room. You can sign up by calling the church office at 610-356-8063 or filling out the insert in Sunday's bulletin. If you need childcare, please let Heather in the Church Office know.

February 25/26: Nicodemus (John 3:1-10; 19:19-22, 38-42)

March 3/4: Mary Magdalene (Luke 8:1-3; 24:10-12)

March 10/11: Mary of Bethany (Mark 14:3-9 John 11:55-12:7)

March 17/18: Simon of Cyrene (Mark 15:20-32)

Don't Forget!

Daylight Saving Time begins
Sunday, March 8th at 2:00 AM.
Move clocks **FORWARD** 1 hour.

Donations Requested: When you are doing your spring cleaning, if you come across unneeded sheets, towels or men's casual clothing, bring them to me. I can donate them to a men's shelter in North Philadelphia where we volunteer.

It is part of the Bethesda Project, and the shelter is called Our Brother's Place.

Thanks for your help.

Music Ministry

I hope everyone is staying well and healthy!

As the season of Lent is approaching, you will notice there is more reflective music. On March 1st, the Bel Canto Ringers will play "My Faith Looks Up to Thee." The choir will be singing "Pie Jesu" by John Conahan, a New York City based composer. It will be sung in Latin. The lyrics translate as follows:

*Merciful Jesus,
Who takes away the sins of the world,
Grant them rest,
Everlasting, Rest.*

This month, our All Church Choir will be presenting "Deep River" with "Shall We Gather at the River?" arranged by Lloyd Larson.

On March 15th, "The Majesty and Glory of Your Name," an arrangement of Psalm 8 by Tom Fettke, was chosen to enhance worship. The piece builds in a most unique way. You will hear "O Lord, our Lord, how excellent is Thy Name. O Lord, our Lord, how excellent is Thy Name... how excellent is Thy Name," chanted in the sanctuary. Then the choir will sing one movement from Mendelssohn's *Elijah No. 29*, "He Watches over Israel," with texts from Psalm 121. And for Dan Forrest's "Near My God to Thee," Elizabeth Brown (cellist) will return and play the obligato part and perhaps another piece or two, to enhance the Lenten Season music.

Now, I would love to share the **Easter Cantata** with you...

After we sang *The Road to Bethlehem* in the winter, we will have *The Road to the Cross* for our Palm Sunday Cantata. We will begin our Palm Sunday introit with the Chancel Choir singing and Joann Mitchell on the flute. Then, we will go on to the cantata! Pieces include: "Prayer of St. Francis" and "Hymn of Peace" by Mary McDonald, "Here Is Love" by Dan Forrest, "Evening Prayer" by Ola Gjeilo, and "Filled with His Voice" by Steve Danyew. The piano and our own Michael Talento on saxophone will accompany the choir for that morning! Michael will be doing improvisation during "Evening Prayer". The motivation for choosing the music was Matthew 26:36.

*Then Jesus went with them to a place called Gethsemane, and he said to his disciples,
"Sit here, while I go over there and pray."*

We will find prayerful, peaceful, reflective music from the Chancel Choir that morning.

Stay tuned next month as I will share the Easter Sunday music plan. But for now, let us begin our Lenten journey!

Director of Music

CHILDREN & YOUTH

In February, our children and youth partook in a variety of activities. During our Super Bowl party, we played football and underground church. At Kids' Group, our elementary schoolers painted picture frames for our shut-ins and wrote Valentine's Day cards to a 104-year-old veteran. We played games and made mini pizzas for lunch at our Presidents' Day Fun Day and our teens grew in Christ during youth group as they learned about his love.

Check out some of the fun we had last month, and add our upcoming events to your calendar:

Mission News

from NSPC's Rise Against Hunger Team

A sincere **thank you** to all those who helped make our **Rise Against Hunger Silent Auction** on February 9th an overwhelming success. \$3350 was raised to provide food supplies for our RAH meal packaging events. We are most grateful to those individuals and local businesses who donated goods and services, along with the many church members and nursery school parents who participated in the auction. It was an exciting and appealing fund raising activity.

Thanks also for those individuals who participated in our UNO Dough Raiser on February 9th either by dining in or purchasing take out. \$259.22 was raised for our future Rise Against Hunger events.

We hope you can join us on March 9 from 3:00-5:00 as we once again package over 20,500 meals. Don't forget to sign up!

Chester Eastside Food Collection

The food basket in the Coatroom is lonely. It needs to have the company of your food donations for Chester Eastside Ministries. **Please bring tuna, peanut butter or other protein foods for March.** Thank you.

**Please continue to send in your gently used winter coats, gloves, hats, and blankets. Thank you for your generosity!

Help the church and the environment! We are still collecting used Ink Cartridges for recycling! Instead of throwing our your used ink cartridges, drop them off at the church office. We earn rebates by recycling ink cartridges. Thank you!

NSPC-PW Blanket Drive Results

MANY thanks to the members of our congregation who contributed to the 2020 NSPC -PW Blanket Drive. We collected \$165!! That means lots of blankets for those in the U.S. and other countries who have been rendered homeless or have been impacted in some way by a natural disaster. Surely, some of them will go to victims of the floods, tornadoes, etc., that occurred here at home this past year.

Our check and report on this Blanket Drive will be sent to Church World Services, with whom the PC(USA) is in partnership for mission. We are grateful that this mission ministry continues to serve victims of natural disasters throughout the world. And NSPC is grateful to our generous members who continue to support the mission ministries that we serve directly, or in partnerships, to serve the world.

Again, THANK YOU ALL! May God continue to bless us as we continue to serve others.

Rise Against Hunger Meal Packaging Event:

March 8 from 3:00-5:00 PM

We will hit our 100,000 packaged meals milestone at this year's event!

On March 8, 2020 NSPC will host its fifth all-church, intergenerational event called Rise Against Hunger. Rise Against Hunger provides life-saving meals to starving children and orphans in developing countries across the world. **After our 2020 event, we will be proud to announce that NSPC will have packaged 100,000 meals in 5 years.**

We only need a few more workers for this fun-filled and most satisfying event. Two hours out of your life will help fill 20,500 bellies with a warm meal. Hands-on mission directly connects us with the recipients of our gifts in a most meaningful way.

Our social hall can accommodate a maximum of 125 workers. We were at capacity last year. After reaching 125 volunteers, names will be put on a waiting list.

You may sign up to work on March 8 from 3:00-5:00 in one of two ways:

1. Look for someone in the lounge with a clipboard during Fellowship Hour to sign-up in person.
2. Send an email to Lynne Corle: licorle217@gmail.com Please include your name, email address and phone number. Also include the number of adults packing meals and the number and ages of participating children.

Finally, if you would like to be involved in setting up prior to the event from 1:00-3:00, please contact Allen Corle acorle217@gmail.com.

A contribution is not required to work at the event.

Looking forward to seeing some new faces this year, along with the many regulars that we can always count on.

Fellowship Hour Food: Friends, The Fellowship Hour is appreciated by many. The hosts always try to provide a sampling of food for the table. There is no rule as to how much or how little should be provided. In the event you do some baking or have an extra stash of food that you would like to donate, please put on the table in the lounge before worship or if it is sealed and does not have to be used right away---in the large plastic bin in the lounge. Thank you.

A big **thank you** to the children of our church. They painted lovely picture frames during Kids' Group and then a picture of the children was placed in the frame. These were then mailed to some of our members who are currently unable to attend worship. The gift was thoughtful from beginning to end and much appreciated by our extended members.

**Thank
You!**

In other news...

You may have noticed a number of blue covered buckets hanging from some of the trees at our church. If the trees had leaves on them, you might be able to more easily guess their purpose. Here's the story...

A few weeks ago Buildings and Grounds was approached by a local minister who has a hobby of making maple syrup. He had noticed that we have quite a few sugar maple trees on our property and asked permission to tap them for their sap. B&G did some research and consulted with our member Earl Ebling. Earl does the church landscaping and lawn care and he confirmed that it was safe for our trees. The gentleman was given the go ahead to tap our trees.

The sap of sugar maple trees contains a much higher concentration of sugar than other trees. The sap flowing season is relatively short, only about six weeks. What causes the sap of maple trees to flow in the spring? When temperatures are warm and above freezing, the sap begins to flow. If it cools below freezing, it stops. Since we have had an unusually warm winter so far, some of the buckets have already gained an inch or two of sap. Tap holes are put in the tree and the sap flows from the tap hole into the bucket. It is important to note that when the tapping is complete, all tap holes will be sealed to prevent any infection in the trees. It is comforting to know that no damage to the trees is caused in the process. It is estimated that tapping removes only 10% or less of a tree's sugar, an amount too small to hurt a healthy tree under normal environmental conditions.

Stay tuned... We expect, down the road, to receive a small amount of the finished maple syrup, hopefully enough for a taste test.

Sugar Maple Identification

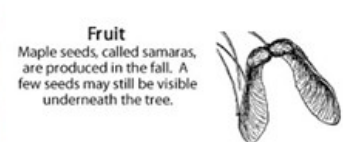

Opposite Branching
Most branches and twigs will have a 'buddy' opposite of them. This is easiest to see on small twigs near the end of a branch.

Bark
Light gray, flaky, "frosted flake" bark, often has black patches near the base.

Twigs and Buds
Twigs are slender, smooth, and reddish brown. Buds are pointed with small scales.

Fruit
Maple seeds, called samaras, are produced in the fall. A few seeds may still be visible underneath the tree.

Leaves
Leaves are located opposite one another on the branch. In winter, the buds are visible where the leaves will grow in the spring.

Please Join Us in Congratulating Cole Robinson!

Cole Robinson earned his Eagle Scout rank on September 26th, 2019 from the St. Anastasia Boy Scouts of America (BSA) Troop 315. Since the BSA inception in 1911, only four percent of Scouts have earned this highest rank attainable in the Scouts program. Cole joined Cub Pack 315 in the first grade and remained an active Scout until he turned 18 and aged out. His Eagle community service project was an education campaign to raise awareness of the serious dangers of texting and driving. Marple Newtown High School was the key beneficiary of the Eagle Scout project; and with the help of fellow Scouts, Cole’s campaign educated hundreds of people in our community on the dangers of distracted driving and they collected over 260 signed pledges of drivers committing to not text and drive. Cole is thankful for the support of his family, friends, community and church to enable him to achieve the honor of becoming an Eagle Scout.
