Robert Kiyosaki, author of, RICH DAD POOR DAD, says, “*You are programmed to be poor.*” Do you agree? Are you programmed to be poor? *You know you are... if W-2 employee jobs are the only way you know to earn money. You know you are... if you think that grinding W-2 jobs for 50 years is not too long to stay dead broke. You know you are... if working one part-time week is too long to quit the grinding hell of W-2 jobs, forever. Mr. Kiyosaki warns us about the dangers of W-2 employee jobs... “*The world is full of smart, poor people. Be owners of businesses, not employees of businesses. A job is the highest-risk profession you can have.*”*

Billionaire Warren Buffett says to, “*Never depend on a single income. Make investment to create a second source.*” Here are two sources for you. After over 20 years, one company still offers web hosting for \$10.00 per month with a **7-day risk-free trial**. The other company offers autoresponder services since 2000, at \$17.95 per month with a **30-day risk-free trial**. As a customer of each company in STEP 2 below, you qualify to refer new customers for residual commission pay, at no extra cost. Easy access to generous commission pay-plans with residual monthly overrides are available now. Each company also pays weekly fast-start bonuses. Earn today! All are paid as **Independent Contractors (1099 MISC)** with **NO Payroll Tax Withholding** and **NO Layoffs**. If you get W-2 unemployment now... be aware that ‘payments’ from 1099 jobs do not interfere! See STEP 1. You do need a bank account to be paid, as online payment processors require a bank account for full service.

How to Escape from W-2 Employee Hell Forever within 7 Days.

Your target is to get at least 10 new customers within 7 days... who also do the same. If it took 4 hours per day to hand-out 200 flyers, then **1,000 flyers would be done in 20 hours or 5 part-time days.** An example of the leverage created at 10 per week is, $10 \times 10 \times 10 \times 10 \times 10 =$ **111,110 new customers in 5 weeks... with you finding 10, one time only.** Can you imagine your pay on all those people... *each month... from two companies?!* One company pays \$1.00 per person under you per month. When do you quit your W-2 jobs, pay all your debts and live free and easy? If you do your tiny part on time within 7 days, people duplicate you to do the same, while you sleep. They now work to build two cash-flow sources for you that may last you a lifetime. In this way, W-2 employee jobs can be replaced for you, in about 30 days... if you do your tiny part within 7 days! Mr. Kiyosaki says, “*A wealthy person is someone, who has learned to make money, when they are not working.*”

You Save Lives with (1099 MISC) Jobs When You Give Flyers to Earn Wealth.

But, are you thinking ‘poor,’ now? Admit it — are you nervous about a tiny bit of work? Is the tiny cost really a problem? Do you need a boss? Are you fearful? Does ‘poor’ programming stop you, cold? Decide ‘yes’ or ‘no,’ to be done with it either way, within the next 24 hours. Why lose to procrastination / cowardice?! “*Nice guys do not finish last. Last place is for the cowards and those too full of fear to take action,*” says Mr. Kiyosaki. He also says that, “*Knowing you need to make a change isn’t enough. You’ve got to find the guts to do it!*” Confucius says, “*To know what is right and to NOT do it, is the WORST COWARDICE.*” Good luck. Be well.
