

A BALLOON TOWER or COLUMN can be many things and many shapes.

The following Chart (PIC 1) shows our basic Traditional Cluster Column at different heights and with different possible topping options (notice all the latex balloons are the same size)

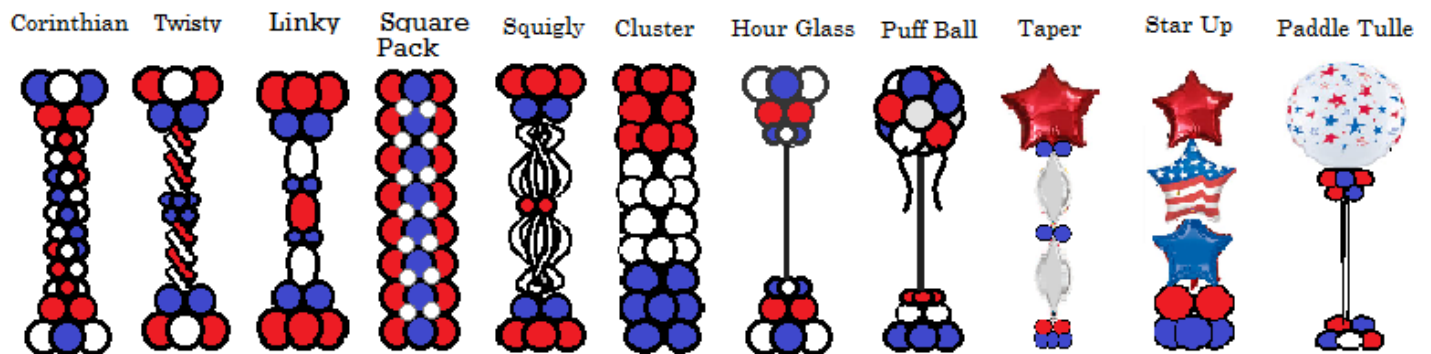

Yes, we can change the patterns but the balloons are all the same size. (pic 2)

The Next Options are to change sizes or change the kind of balloons we use. Prices based on 7ft.

Corinthian \$100.00, Twisty \$70, Linky \$59, Square \$90, Squigly \$70, Cluster \$80, Hour Glass \$50,
