Maps & Directions

Please note that:

1) Islington Row A4540 is a dual carriageway, and hence there is no right turn into George Road from Islington Row, nor any direct access from B4127 Bath Row into George Road.

2) Harborne Rd, Calthorpe Road and Westbourne Road are “one-way” streets.

Our Clinic and Consulting Rooms at No. 43 George Road:

Our Clinic and Consulting Rooms are about two thirds along George Road on the right side (just after the last white house on the right) when approaching from St James Road. When approaching from Islington Row, our clinic is on the left side just before the first white house.
Car Parking:
On-street parking available on both sides of George Road (limited to one hour). There are two reserved parking spaces available directly in front of the house for people with disabilities and/or limited mobility.

There is also a car-park at the rear of the house accessed from Enfield Road. When travelling towards Five Ways Island along Islington Row Middleway, Enfield Road is the first left after the Five Ways Railway Station. Our car-park is on the right side as you approach the end of Enfield Road. Once parked, use the access-way on the left side of the house to get to the front of the building.

**Note:** To get to our car-park from the front of the building, travel towards St James Road, turn left into St James Road, then left again into Wheeleys Road. At the traffic lights turn left onto Islington Row Middleway, and take the first left after Five Ways Railway Station and before Scrivens into Enfield Road. Our car-park is on right side at the end of Enfield Road. (For your first visit, it may be best for you to use either one of the two spaces at the front of the house, or the rear car-park because this appointment could be just over 1 hour, and on-street parking is limited only one hour).
