Deb55 said thank you for putting it together, while CakeDiva73 appreciated the help and wrote that she had been needing something like this for a long time. People were excited about finding useful information online, with maimail6 saying so herself after copying and pasting the text into her cake room. Some people asked if they could use certain ingredients or products in place of others, with CakeDiva73 seeking confirmation on using Wilton's paste instead of Chefmaster. Overall, the recipe received positive responses from users who found it helpful.
