History

David and Pam Leen opened their first Stone Soup in Scottsdale, Arizona in 1995. The original Stone Soup was a small eight table sandwich shop that served lunch and provided deliveries to the local businesses. At the request of Stone Soup's customers, Stone Soup started offering drop-off catering for lunch meetings and gatherings.

By 1997 the business was booming, but the Leens missed their Pacific Northwest roots and decided to move to Walla Walla and opened Stone Soup Café in 1999.

Our catering menu offers some of our most popular offerings, but we are not limited to this menu. We would love to hear from you and help determine your catering needs. Give us a chance to work within your budget and you won't be disappointed.

Welcome to Stone Soup Catering. We look forward to serving you soon!
