

WHAT IS SOULGENIC HEALING?

SOULgenic Healing is SOUL deep!

This healing modality is unique to Sanetha (Annette Moreland). Upon coming into her healing abilities as a Level 3 Reconnective Healing Practitioner, she started to receive divine messages for her clients. Soon after that she began to communicate with discarnate souls.. our beloved who have crossed.

This Non Touch Healing modality is the gentle awakening and balancing of the dormant DNA codes created by you during your reincarnations since the beginning of your SOUL journey from your Creator God. Sanetha is able to talk to SOULS at a sub-conscious leveleven at a distance.

With the assistance of your SOUL family, the Angelic Council, and the Masters of Light you will receive a healing that is appropriate fro you at this time in your life.

Spiritual frequencies of light and information are accessed during the sessions, bringing in the proper combination of colour and sound establishing a healthy resonance to your physical, mental, emotional and spiritual MULTI-DIMENSIONAL BEING -- HEALING you at the source... your SOUL.

TESTIMONIALS

"What ever this is - is so incredible, it takes the memory of the pain with it! I had a sprained knee and never needed any traditional treatment! " **LM Ontario Canada**

"It's easy to say that really didn't happen-- but it did! I have seen numerous doctors with titles most will not have ever heard of for mental healing for over 20 years and none of them could help me in the way that this did. I am in utter **AWE.**" **JR Boston MA**

"My neck was always cracking and I always seemed to be getting headaches. After my session I noticed that my neck no longer cracks...not a single crack at all. It's amazing! I have also had trouble with my left shoulder with pains shooting through it and not being able to lift my arm straight up in the air over my head with absolutely no pain what-so-ever. I also have Scoliosis which is the curving of the spine causing stiffness and a lot of discomfort and when you run your finger down my spine it gets straiter everyday! **AMAZING.** Sincerely, **Lorna F (see video testimonial on website)**
