

Sawgrass HOA – Single Family Homes

Rear fence Policy and Guidelines

The following is intended to be a guideline for the approved location and installation of fencing at Sawgrass. Please adhere to the following guideline:

All fences must be approved prior to any work starting on any fence in the community that is installed by a unit owner or owner contractor.

Instructions for Approval

1. Complete all necessary paperwork and/or inspections required by the City of Spring Hill.
<https://www.springhilltn.org/>
2. Complete and submit Architectural Change Request “ARC” through your online homeowner portal. Must include approval from the City of Spring Hill.
3. ARC requests must include a plot plan with location of the home and distance from property lines and drainage easements.
4. Once approved or denied, you will be notified through your portal.
5. Once notification for approval is received, you may begin construction.
