

# CMU Calculator

Enter only the length and width of the proposed wall.

## Block Required (8 x 16 face)

Length (feet)	Height (feet)
<input type="text"/>	<input type="text"/>
Total CMU	
<input type="text"/>	

## Mortar Required

Block Required		
<input type="text"/>		
Mortar Bags Required		
6x8x16	8x8x16	12x8x16
<input type="text"/>	<input type="text"/>	<input type="text"/>

## Sand Required

Block Required		
<input type="text"/>		
Cubic Yards of Masonry Sand Required		
6x8x16	8x8x16	12x8x16
<input type="text"/>	<input type="text"/>	<input type="text"/>

## Wall Reinforcing Required (16" o.c.)

Block Required		
<input type="text"/>		
Total Linear Feet Required()		
6x8x16	8x8x16	12x8x16
<input type="text"/>	<input type="text"/>	<input type="text"/>

## Concrete for Block Fill

Block Required		
<input type="text"/>		
Cubic Yards of Grout Fill		
6x8x16	8x8x16	12x8x16
<input type="text"/>	<input type="text"/>	<input type="text"/>
