

SANTA FE HOMEOWNERS ASSOCIATION

RULES AND REGULATIONS

REVISED JANUARY 2018

3/16/2020 AMENDMENT ----- 11. TREES

The trees planted in the common area are the responsibility of the HOA. Trees in the limited common area are the responsibility of the homeowner to keep trimmed from roofs and roots removed. Landscaping may trim trees up to twelve (12) feet. **All trees above twelve (12) feet must be serviced, trimmed and/or removed by a licensed, bonded tree service.** All costs associated with the damage to HOA property, driveways, sidewalks, home foundations, etc. by trees or roots in the limited common area are the responsibility of the homeowner.
