Our 7th grade students met their 2nd grade buddies and shared 5 things about themselves with a hand tracing activity.

In addition to being Mass buddies, students will often meet for monthly activities.

Having a pre-k through 8th grade school gives older students the chance to mentor, model and develop leadership skills.

Our younger students look up to the upperclassmen and look forward to the fun activities they share.

This is one example of how we maintain our warm, family atmosphere at St. Benedict.
