In Case of an emergency after hours, we will use the closest available clinic to us.

We care for your pets like they belong to our family, with the promise to provide the safest and most enjoyable environment possible all while accommodating to each individual pet's needs. Canine Couture takes pride in what we do, "with passion and care you can't compare", Our

team of professionals will always take the extra time necessary to ensure that your pet feels right at home.

Vaccinations

Canine Couture, follows the state law requiring that all pets are vaccinated against the rabies virus. It is the sole responsibility of the owner to keep up with this vaccination along with all other vaccines recommended by your vet. Because your pet is staying overnight, we require that your pet is vaccinated for Bordetella (Kennel cough) 24 hours prior to check-in. However, vaccinated canines are **still** susceptible to various strains of the virus. The Bordetella vaccination only covers a few strains. I understand that even though my pet is fully vaccinated, just like any other facility, my pet may still contract a virus or illness. The chances are very unlikely; however, it is important that you are aware.

- Canine Couture, is a fun-filled experience where pets may share common areas to play and exercise. Not only is this a requirement by the city and state but also a requirement by Canine Couture and its experienced team members that all areas inside and out, are picked-up, taken down, put away, disinfected, washed down, and dried several times daily. We are highly cautious and demand high quality care and cleanliness throughout. However, to prevent any bacteria from spreading please keep in mind that regardless of how cautious and clean we maintain our facility, pet interaction (especially if weather conditions are humid, muddy, and rainy.) may alter your pet's natural scent. Also lack of brushing or regular grooming routines during their stay can sometimes cause discomfort and minor medical issues later on. Due to these factors, it is now **mandatory** that your pet has a bath and/or grooming prior to "check out" this is simply to insure they are rid of any odor causing bacteria spreading before returning home. The pet owner will be responsible for the cost for all services provided as deemed necessary by staff.
- I understand that my pet will be offered multiple potty breaks throughout the day, regardless if the "salon" is open or not. Typically, these potty ventures occur in the morning upon waking up and breakfast, afternoon, and evening followed with dinner. Potty breaks can occur 3 to 5 times daily, depending on your pet's medical history, Training routines, and any other known factors for no additional fee.
- Any pets picked up after 12:00 p.m. **WILL automatically** be charged for an additional night. THIS IS Non-negotiable, for example if you drop your pet off at 5:30 p.m. on a Tuesday (regardless of the time this day counts) and pick up after 12p.m on Friday that is considered "4 days".
I understand that "**Check-in**" for boarding is **Monday thru Saturday 8:00 a.m. to 5:30 p.m.**
THERE IS NO SUNDAY CHECK-INS.
- "**Check-out**" for boarding is **Monday thru Saturday 8:00 a.m. to 5:30p.m.** **THERE IS NO SUNDAY CHECK-OUTS.**
