

HOW CAN WE HELP?

If you are aged 16 to 24, Learner Trade is here to help you get your career started.

Taking a unique approach, we work with individuals across County Durham on a one-to-one basis. Using our specially designed assessment tool we look at your interests, strengths and skills to identify the right career path for you.

We will then support you through our Positive 4 People training programme, which helps to prepare you for the workplace.

You will also receive a recognised qualification in Customer Service. Learner Trade will then match you with a relevant local employer, continuing support for as long as it's needed.
