Competitor conditions

SLSQ High Visibility Clothing Policy, No 95.07.12, will be implemented requiring all competitors in ocean or open water-based surf lifesaving events held in Queensland to wear a high visibility lycra/rash top/singlet.

Marine Stinger Protective Clothing

In accordance with SLSQ Marine Stinger Risk Management Guidelines, and Lifesaving policy LS13, wearing of appropriate and approved Marine Stinger PPE is optional from March for all competitors U11s- U14s, but we will keep monitor the condition leading up to the carnival and will advise if condition changed.

However all competitors are advised to ensure that they have 'Stinger Suit' available to wear for all water events on the day as a precaution. A decision will be made by Carnival Referee in this regard.
