   - If there is misalignment between the student’s postsecondary goal(s), based on the information available (e.g., present level of performance, student interests, student preferences), circle N for the misaligned goal area(s) in the appropriate column(s)
   - If there is a postsecondary goal that addresses Education or Training after high school, but it is not measurable or does not appear to be appropriate for the student, circle N in that column
   - If there is not a postsecondary goal that addresses Employment after high school, circle N in that column
   - If there is a postsecondary goal that addresses Employment after high school, but it is not measurable or does not appear to be appropriate for the student, circle N in that column
   - If there is a postsecondary goal that addresses Independent Living after high school, but it is not measurable or does not appear to be appropriate for the student, circle N in that column
   - If there is not a postsecondary goal that addresses Independent Living after high school, circle NA for that column (If NA is circled for Independent Living for #1, please do not respond to questions in this column for questions 2 – 8.)
   - If there is one measurable and appropriate postsecondary goal that addresses Education or Training, Employment, and (if applicable) Independent Living after high school, circle Y in each column
   - If there is one postsecondary goal that addresses Education or Training, Employment, and (if applicable) Independent Living after high school, but it is not measurable or appropriate, circle N for each column

2. Is the postsecondary goal(s) updated annually?

   - If the postsecondary goal(s) for Education or Training, Employment, and as needed Independent Living, is (are) documented in the student’s current IEP, circle Y in each corresponding column
   - If the postsecondary goal(s) for Education or Training, Employment, and as needed Independent Living, is (are) not documented in the student’s current IEP, circle N in each corresponding column
   - If this is the student’s first IEP that addresses secondary transition services because they just turned 16, this is considered an update, so circle Y in each column

3. Is there evidence that the measurable postsecondary goals were based on an age appropriate transition assessment?

   - Find where information relates to assessment and the transition component on the IEP (either in the IEP or the student’s file)
   - For each of the postsecondary goal areas circled Y in question #1, evidence that at least one age appropriate transition assessment was used to provide information on the student’s needs, strengths, preferences, and interests regarding this postsecondary goal, circle Y the corresponding column
