Alachi Balti Dishes

Balti dishes are the latest trend in Indian restaurants and are very popular in the midlands. The balti is a metal round bottomed dish, like a wok, with two handles, balti food is freshly prepared and healthy, because the rapid stir-fry process retains the goodness of the food. Whole spices are roasted and ground to create the most aromatic spice mixtures combined with fresh garlic, ginger, coriander and tomatoes to give the balti dish a distinctive taste. Absolutely terrific!!
