Discover Korea - Cultural Experience

Making Rosary beads with Buddhist Monk

Threading rosary beads is a program to experience Korean traditional culture linked with historical characteristics of Buddhist temple. There were one-hundred and eight beads on the rosary and each time you put one bead on the rope with the time for self-reflection.

Archery Experience at Gongsanseong Fortress

Experiencing Traditional Korean Archery, Guk gung! It contains general explanation about the Korean archery, shooting posture and shooting arrows by yourself. Archery was the main long-range weapon system when fighting in the fortress to protect the village from enemies.

Taste Boseong Green tea in Green Tea Plantation

Boseong green tea plantation has the right conditions for growing green tea. Spanning over a large scale of land filled with green tea, the tea plantation offers the refreshing taste and scent of green tea as well as a relaxing ambience.

Take Yeosu Maritime Cable Car

This marine cable car is a Korea's first cable car to cross over a body of water. The cable cars make round trips from Dolsan Park on Dolsando Island to Jasan Park in Yeosu. It travels 1.5 kilometers and ascends to a height of 98 meters, allowing you to take in all of Yeosu's main attractions at a glance.

Hanbok experience (Korean National Costume)

Hanbok is the traditional attire of the Korean people. While the traditional hanbok was beautiful in its own right, the design has changed slowly but surely over the generations. With the various colors and the beauty of charming lines, your memories in South Korea will shine even brighter.

Hanji Making Process

Many visitors may already know that "hanji" is a type of traditional Korean paper, but did you also know that it can be used to make dolls, crafts, lanterns, and even clothes? Visit Hanji exhibition and then get a chance to make your own hanji artwork!
