WHO WE ARE

Worldwide Chauffeured Services

Unique II Worldwide is a premier luxury ground transportation company that prides itself on giving you "The Client" the best possible experience. Our chauffeured services operation consists of a vast network of the most sophisticated professional chauffeurs in the industry. These chauffeurs are managed by a team of specialists that pride themselves on paying attention to every single detail to your itinerary to assure you the best possible experience each and every time that you travel with us. Wherever your travels may take you, let Unique II Worldwide chauffeur you around in style and luxury. Unique II is proud to operate one of the most luxurious fleet of specialty vehicles in the industry.

1000+ Cities Worldwide Network

Worldwide Chauffeured Services

Here at Unique II Worldwide, we pride ourselves on providing our clients with nothing but the best in travel experience. Unique II has the ability to provide you with service just about anywhere in the world. We currently work in over 1000 cities worldwide, meaning that wherever you need to go, we can help you get there in style and comfort. With connections in over 1000 cities both nationally and internationally, we offer the convenience of luxury ground transportation wherever your travels may take you.

Premier Chauffeured Services in over 1000 Cities

TETERBORO Airport

Unique II Worldwide is proud to be headquartered in one of the busiest private airports in the world. Teb airport has over 500 aircrafts departing and landing daily.

Marcello Bustamante CEO/Founder states "It is critical to be an extension of the private travel experience. Our clients are flying on luxuriant aircrafts managed by top tiered flight departments. It is imperative for our worldwide chauffeured services to be a continuation of the private aviation experience.

Unique II Worldwide has been providing Luxury ground transportation to the private aviation community for over 25 years. Unique II Worldwide's reputation for providing outstanding chauffeured service to this very elite community has helped us grow into an operation providing our services in over 1000 cities worldwide.

MIAMI Opa-Locka Executive Airport

Unique II Brings Its Luxury Chauffeured Experience to Fontainebleau Aviation

Unique II Worldwide Premiered Chauffeured Services has expanded its service to now include a location at Fontainebleau Aviation in Opa-locka, Florida.

According to Marcello Bustamante, CEO of Unique II Worldwide, the company's 25 years of serving clients within the private aviation industry with a 5 star+ rating, afforded them the opportunity to join forces with Fontainebleau Aviation. "This new location will allow us to provide the same quality service our clients have become accustomed to," said Marcello Bustamante.

Unique II Worldwide believes that the leadership of their Florida staff will provide an extension to the services they already provide. Fontainebleau Aviation has an outstanding reputation in our industry, which is beneficial to expanding the Unique II brand to Florida.

"Partnering with Unique II Worldwide will allow our clients to enjoy the 5-star service that Unique II brings with them. This is what our clientele deserves and is looking forward to," says Anthony Banome of Fontainebleau Aviation.
