

Both Nursery and Pre-School have been enjoying the sunshine we've had recently. It has been great to be able to continue sharing our learning both inside and out. To ensure we are all sun safe, please can we ask that every child brings a clearly labelled sun hat and sun cream with them. May we also ask that you apply sun cream to your child before they start their session.

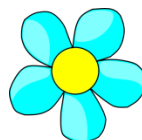

### Dates for your diary

Tiddlers teddy bear's picnic on Saturday 22<sup>nd</sup> June 11am -1pm.

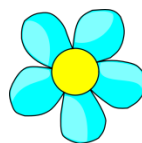

This year we thought we would try something different for our summer fair and have a Teddy Bear's Picnic, allowing everyone of all ages to join in and have fun. This will be held at our nursery site inviting everyone to come along with their teddy and a plate of picnic food to add to a buffet table. There will also be a few activities for children to get involved with. We look forward to seeing as many of you there as possible.

Tiddlers Pre-School will be having their sports day on Thursday 4<sup>th</sup> July at 1.30pm-2.30pm. This is a fun event allowing our children to take part in a number of races. We invite parents and carers to come along to watch and cheer the children along.

At the end of the summer Pre-School will say goodbye to lots of our children that are moving to big school. We would like to wish them all the best for their exciting new chapter by having a leaver's picnic on Thursday 18<sup>th</sup> July 1.30pm-2.30pm. This is a time for us all to enjoy and celebrate. We ask everyone to bring along some picnic food to share. A food list will go on the office door nearer the time.

**Pre-school** – Miss Megan has taken the lead on planning weekly walks to nursery for our Pre School children. The aim of this is for the children to take part in planned focused activities within smaller groups, particularly in attention and listening. At the moment this is being planned for Wednesday's and Thursday's ensuring all children who

attend those days have the opportunity to go. In the future we may look at other days too. If you have any questions regarding this please speak to either Miss Megan or your child's key person.

**Session times** - Please can all parents be mindful of their child's session times. We are in ratio for the safety of all the children. Therefore please can you not arrive before your child's allocated session time. Equally, please make sure that you collect your child on time at the end of their session. It can be distressing for a child if they have not been collected at the expected time and all their friends have already left.

Please check out your children's observations through Eylog to look at the fun activities they have been taking part in and how their learning has been extended. All practitioners welcome your feedback so please feel free to leave a comment or share any experiences from home.
