

Woodside Security Systems Privacy Policy (website)

This Privacy policy explains how we use any personal information we collect about you when you use this website, contact us for a quotation or proceed with an installation/remedial works.

What information do we collect about you?

We collect information about you when you register with us or place an order for products or services. Examples of the types of information we collect include your name, address, telephone number and email address. We also collect information when you voluntarily complete customer surveys or provide feedback.

How will we use the information about you?

We use the information we collect about you to provide the products and services you request and to manage your account.

We may share the information you provide to us (in the case of monitored intruder alarm systems) with our third party service providers i.e. our Alarm Receiving Centre or Police Authority or when required by Law and/or Government Authorities.

We communicate with you with important information about our services or your account, and we may also send our annual newsletter which includes information about new products and services. We will not share your information for marketing purposes with any other organisation and we do not send marketing emails ourselves.

If you have had a system installed by us but do not have a maintenance contract, we may write to you from time to time offering a service of your system. We may also write to you with important information about your system or our services.

You can opt-out at any time by sending us an email to info@woodsidealarms.co.uk.
