Glastonbury Southern Gage 87 Upton Road Colchester, CT 06415

Cert #: GSG #: Date:

Calibration Certificate

Customer:	Customer P.O. #:
rintion:	

Description:

Condition of item when received: New This item is certified to be In tolerance

Inspection Procedure: QDW4.10.1-02	
Blocks:	Temperature: 68.0°F Humidity: 40%RH
Inspection Equipment: Federal 136B-3	Applicable Standard: ANSI/B89.1.6 Internal Diameters

All dimensions listed are both 'as found' and 'as left' unless otherwise noted. The calibration system supporting this certificate is performed in accordance with ISO/IEC 17025. The above item has been calibrated using standards traceable through the National Institute of Standards & Technology (NIST) to the international System of Units (SI). Statements of compliance do not take uncertainty into consideration. Laboratory is maintained 68°F, ±2°F, RH 40%, ±20%, the readings below reflect this environment.

This certificate applies only to the item and item dimensions listed. The user must determine the re-calibration interval for this item.

This certificate may not be reproduced except in full without written permission.

The Expanded Uncertainty associated with this measurement is U = ± Microinches using a coverage factor of K=2 which provides a confidence level of approximately 95%.

Notes:

All results stated from the prescribed are given in Microinches

Characteristic Description	Prescribed Dimension	Allowable Tolerance	Loc.	Calibration Result

All dimensions not listed have been found to be within all B/P or specified requirements.
